## Web development

My name is Umoh Udonwa. I am from Nigeria. I started my web development journey 2019. My aim is to work with small businesses and marginalized communities to bring their passions to life with my web development skills. I offer both design and development services for web applications or websites. If you are looking for a developer to add to your team or work on a project, you can contact me. I would love to hear from you.
